COVID-19 Update Communication

Dear Parents and Community Members,

Good evening East Palestine families this is Mr. Neifer, EP Superintendent. I am calling to update you on where we are with plans to continue to support our students during this school closure:

- Academic support through our remote learning plan will continue to operate as it has. This week you should be working on completing all school work for May. Work should be submitted by Friday, May 22nd. This allows us to utilize the last week of May for assignment quarantine, make up work, grading, and closure of the district. Please continue to work with the help of the teaching staff to complete and submit assignments.
- Don't forget to check schedules for the last 2 weeks of May to make sure that you don't miss any of the dates for material drop off or pick up as we try and close the school year out successfully. Each building has made their schedules available on the district website and social media applications.
- The meal distribution program will continue to run on our normal days of Monday and Thursday from 11-1 at all 3 distribution sites this week. The following week we will honor Memorial day which will push our last meal distribution of the school year to Wednesday, May 27th from 11-1. We will also be posting information this week about the structure for our summer meal program.
- Attention Seniors: CONGRATULATIONS! - You have finally reached the last day of your high school academic career. Please make sure that you are monitoring your Google Classroom and district website for updates on the schedule for you in person graduation videotaping this coming week and specifics for the May 23rd balloon release and senior car procession.

With only 2 weeks left I want to thank everyone for their patience and support. Please continue to monitor trusted district websites and social media applications for updated information. Have a good evening, stay safe, and as always Go Bulldogs!
