Dear Parents or Guardians,

Upper Missouri District Health Unit is encouraging you to call and make an immunization appointment for your child. Our offices remain open during this Pandemic so we can help prevent outbreaks of vaccine preventable diseases. However, because of precautions we are taking to protect our clients from COVID-19 the number of clients we can see in a day has decreased which is why we are encouraging you to call now for your child's appointment.

Please see the table below for the new requirements based on grade level of the student:

2020-2021 School Immunization Requirements

Vaccine Type	Number of Required Doses		
	Kindergarten-6	Grades 7-10	Grade 11-12
DTaP/DTP/DT/Tdap/Td*	5	5	5
Hepatitis B	3	3	3
IPV/OPV [‡]	4	4	4
MMR	2	2	2
Varicella (Chickenpox)	2	2	2
Meningococcal [†]	0	1	2
Tdap [ⓐ]	0	1	1

All children must be up-to-date according to the school immunization requirements or have claimed an exemption by October 1st of each school year or they must be excluded from school.

UMDHU is taking proper precautions to keep client's safe during this time. We wear masks and gloves, stagger appointments, and sanitize throughout the day.

If you are uncertain about the immunization status of your child or have any questions regarding these requirements, please give us a call and we will be happy to answer any questions you may have.
