

Check-in from Erin L. Ireland

WEEK OF MAY 18, 2020

Dear Friends,

Here we are, about to begin another week of remote learning. I hope you know how much we (all of EES staff) are thinking of you and hoping that you are doing all you need to do to keep on keeping on. I hope you enjoyed this glorious weekend and took some much needed down time to recharge. We have four more weeks of remote learning to go!

This week, grades K-3 will have their last remote learning packets ready for pick up on Thursday, May 21. Most teachers are also including some summer enrichment work. You can also drop off any completed work packets at time of pick. Grades preK, 4-6 still have some packets ready for pick up from last week. We will send home what we can with meals tomorrow (Monday), so if you don't usually get meals you may hear a bus honking dropping off a packet. :)

We have also extended our Rock Flower project. You can drop off any completed rock flowers this week. If you have any questions, please contact Jill Barnes (jill.barnes@eastonschools.org).

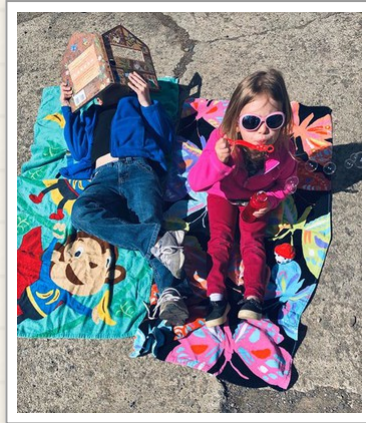

We are still looking for anyone that needs to register their child for preK or Kindergarten. Please contact Megan Cook (megan.cook@eastonschools.org) if your child will be 4 or 5 before October 15, 2020.

Just a reminder that there is no school on Monday, May 25 to observe Memorial Day. It looks like the weather will be beautiful!

Please reach out if we can help you with anything...we are ready and willing to help out! Take care and have a great week.

~Erin
