As the school year comes to a close, we will begin to ease the requirements of assignments and submissions. This week marks the beginning of end of the year assessments and celebrations.

The rules and mandates ordered by our state Governor has placed uncertainty on our annual summer program. In a proactive approach to provide support to our student community, Katz Dalsey Academy will offer a Late Spring After School Program (ASP) virtually to our students. There will be two components of the Late Spring ASP: **Enrichment and Academic**. Parents can sign their children up for the Enrichment portion of Late Spring ASP which consists of fun clubs and activities. The Academic portion of Late Spring ASP is a requirement for students based upon academics and/or attendance. These students will receive a letter with the details and expectations for the program.

The Late Spring ASP

- Program will start on Thursday May, 21st.
- ASP will run for 8 days, on the following dates:  
May 21st, May 22nd, May 26th, May 27th, May 28th, May 29th, June 1st and June 2nd.
- Classes and clubs will start at 3:30 until 5:30
- All academic sessions start at 3:30

We will continue to end this school year strong!
