SERVICE PRICING SHEET(S)

Vendors shall propose services for a five (5) year service agreement, Ten (10) Year Service Agreement, and Fifteen (15) Year Service agreement. Each location shall be priced exclusively. The full award discount represents the discount between the total exclusive cost and total cost if awarded all locations. All prices are to be on a monthly basis except for the total contract price, which represents the total cost of the entire contract over the agreement term. The total contract price shall exclude the price of the optional 1 year extension.
