## **SUBJECT: EMERGENCY SCHOOL CLOSINGS**

In the event it is necessary to close school for the day, activate a delayed starting time or undertake an early dismissal (as well as information relating to cancellation of after-school activities/late bus runs), due to inclement weather, impassable roads, or other emergency reasons, announcement thereof shall be made over local radio and television stations, Global Connect/auto dialing, and the District website.

When school is closed, determinations with regard to the continuation or scheduling of all related activities, including athletic events and student activities, will be made by the Superintendent or his designee and notice of such determination will be made as soon as practicable through the above communication outlets.

Where not otherwise governed by their respective contracts, the Superintendent shall also determine whether school personnel should report for or remain on duty.
