SECTION: EMPLOYEES

TITLE: FREEDOM OF SPEECH IN NONSCHOOL SETTINGS

ADOPTED: August 18, 2014

REVISED:

320. FREEDOM OF SPEECH IN NONSCHOOL SETTINGS

1. Authority

The Board acknowledges the right of administrative, professional and support employees as citizens in a democratic society to speak out on issues of public concern. When those issues are related to the School District and its programs, however, the employee's freedom of expression must be balanced against the interests of this District.

SC 510

The Board adopts this policy to clarify situations in which an employee's expression could conflict with the District's interests.

In situations in which a District employee is not engaged in the performance of assigned duties, s/he shall:

1. Refrain from comments that would interfere with the maintenance of student discipline.

2. Refrain from making public statements about the District known to be false or made without regard for truth or accuracy.

3. Refrain from making threats against co-workers, supervisors or District officials.

Pol. 317

Violations may result in disciplinary action, in accordance with Board policy.
