BASIC INSTRUCTIONAL PROGRAM REQUIRED INSTRUCTION (ELEMENTARY)

EHAB (LEGAL)

DAILY PHYSICAL ACTIVITY

The District shall require students in kindergarten through grade 5 to participate in moderate or vigorous daily physical activity for at least 30 minutes throughout the school year, as part of the District's physical education program or through structured activity during a campus's daily recess.

If the District determines, for any particular grade level, that requiring moderate or vigorous daily physical activity is impractical due to scheduling concerns or other factors, the District may as an alternative require a student in that grade level to participate in moderate or vigorous physical activity for at least 135 minutes during each school week.

The District must provide an exemption for a student who is unable to participate in the required physical activity because of illness or disability.
