KINDERGARTEN REGISTRATION

Welcome Kindergarten Families,

We are thrilled to have you join our Coyote Family. We know that these are unprecedented times and we are doing our best to make Kindergarten Registration a seamless process.

HOW TO REGISTER YOUR CHILD FOR KINDERGARTEN?:

Please call in to the office on Tuesdays or Thursdays from 11am-2pm to schedule a time slot to bring in materials and register your child. We ask that only 1 parent or guardian come to registration to ensure social distancing. Incoming Kindergarteners will be asked to come at a later date. Thank you for your understanding.

When:

Kindergarten Registration appointments will be scheduled on June 1 from 9a-3p

How to sign up:

Call the office to schedule an appointment.

What this registration will entail:

This appointment will be about 15-20 minutes. If you have a red folder that was provided by your preschool or daycare provider, please bring that with you to the appointment. If you are in need of a red folder, they are available in a container right outside the doors to our front office. There is a designated bin for Kindergarten Registration folders. These will be kept outside so feel free to come and pick one up when it is convenient for you.

WHAT YOU NEED TO BRING:

- Proof of your child's birthday, such as your child's original birth certificate. ***Children must be 5 years old on or before August 31, 2020 to be eligible to register for kindergarten.***
- 2 Proofs of address (recent utility bill, lease agreement, drivers license etc.).
- Proof that your child has had the state-required immunizations and the dates they were given.
