

Good Evening JCHS Families,

We sincerely appreciate your partnership during this Remote Learning experience. We've all learned a lot. In order to prepare for next year, we would appreciate your feedback regarding your household's technology needs and what aspects of Remote Learning could be improved.

Please take a moment to complete [THIS PARENT SURVEY](#). You can also access the short survey by visiting the district web page at www.jersey100.org under the COVID-19 tab or via links provided through district social media.

Thanks so much for your time.
