

Summer Meal Delivery Plan for Tecumseh Public Schools

During meal delivery today, (May 20) our child nutrition workers brought meals for the remaining three days of this week. **We will not have meal deliveries or meal drive through options available for the remainder of this week May 18-22.**

Beginning next week, May 25-29 and for the entire month of June, meal deliveries **will only take place on Tuesdays and Thursdays** with multiple days of meals being delivered each of those days. This will cause our bus delivery times to be slightly delayed from what they have been during distance learning, so we ask for your patience as we start this new delivery schedule.

The meal delivery service will stop after June 30.

Meals will be delivered to all currently used bus stops and our Cross Timbers Elementary school site will continue to have a drive through line available for you to pick up meals on Tuesdays and Thursdays from 11am-1pm through the end of June. **If you wish for your child to be added to the list to receive meals, please call 598-3739 and provide your child's name, address, and bus number at your earliest convenience.** The Board of Education office will be closed Monday, May 25 for the Memorial Day holiday so it is important to call our office before the end of the day on Friday, May 22 to guarantee meals for your child on May 26.
