Good Morning Noble Public Schools,

We hope that many of you were able to experience a very special and unique graduation ceremony for the Noble High School Class of 2020. This ceremony took place on May 19th and was conducted live from the campus of Noble High School, broadcasted live on KREF radio, and live streamed. While circumstances beyond our control created this situation, your administrative team and school staff, worked many, many hours to provide a meaningful experience for our graduates. We would like to thank the Noble Police Department, the Cleveland County Sheriff's Office, and the Oklahoma Highway Patrol for their support and involvement during this special night. We would also like to say Thank You to Glen Riddle and Martin Tougas for their support with our Firework Display. So many people worked non-stop to bring this event to you, and we hope that we were able to provide our Seniors a memorable experience. If you missed the graduation ceremony, we have included the link below for your viewing pleasure.

The Senior Yard Signs that are placed along Main Street are for our Seniors. You are welcome to pick them up at any time. On Tuesday, May 26th, we will pick up all remaining signs and take them to the high school. Also, the NHS Class of 2020 signs are also available around the campus of Noble High School if you would like to grab one while they last.

Noble Public Schools would like to offer a sincere Thank You to our Seniors of 2020, our school employees, and all of our Noble Bear Community, for working with us. We will always succeed together. Go Bears!
