

The Wabaunsee School District is comprised of five schools and serves the students and families of Alma, McFarland, Paxico, Maple Hill, and surrounding areas.

Our schools have the positive settings of small towns combined with the fresh ideas, challenges, and opportunities of the larger community where students thrive.

**Wabaunsee High School** is located in Alma, serving students in grades 9-12. **Wabaunsee Junior High** and **Paxico Middle School** are located in Paxico, serving students in grades 7-8 and 5-6, respectively. **Alma Elementary School** and **Maple Hill Elementary School** serve students in grades K-4 in their towns.

Elementary students experience many creative and challenging activities as part of our curriculum, such as regular physical education, music, and art. Field trips, assemblies, and community mentoring make this learning experience positive and progressive.

Middle School and Junior High students extend their explorations with art, band, and vocal music. The students enjoy assemblies, field trips, and school spirit activities.

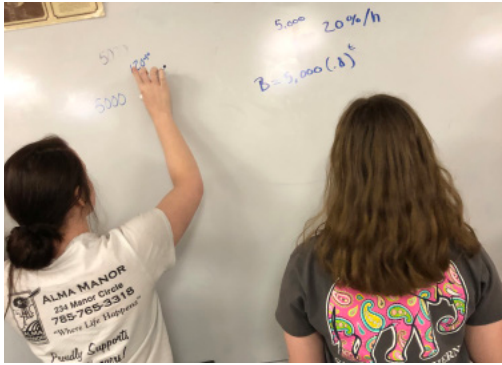

Junior High students can also explore fitness and weights, creative writing, and applied math. The Junior High extracurricular activities include athletics, Quiz Bowl, and cheerleading.

High School students have a large selection of elective courses and advanced courses. Student involvement is encouraged in clubs, sports, and service organizations. With the assistance of staff and guidance counselors, students can chart the best route for their successful future.

We are the first Kansas school district to implement, districtwide, The Leader in Me, Franklin Covey's whole school transformation model and process. The Leader in Me has been developed in partnership with educators, for K-12 schools. The process empowers students with the leadership and life skills they need to thrive in the 21st century. With The Leader in Me process students lead, have roles, perform community service, and take personal accountability.
