SUMMER READING LOG

Parents,

We are challenging our students to continue reading over the Summer months. (Note: Each chapter of a chapter book counts as one book) Please have your child write down the books that are read over the Summer on this log and return when school begins. The logs will serve as tickets to enter awesome raffle drawings in each grade level, as well as, a special surprise for everyone that returns reading logs. You may copy these logs and return more than one log or use a piece of notebook paper to record additional pages! HAPPY READING!
