The Board will make Union Dues payroll deductions upon written request by the employee on the form provided by the Union. This form will be provided to the Board by the Union. The Board shall honor employees' individually authorized deduction forms and shall make such deductions in the amount certified by the Union for dues, assessments, or fees unless such authority is revoked by the employee. Upon receipt of any such revocation the Board or its designee shall so advise the Union.

The District agrees to remit these dues and/or fees to the Union twice each month that dues/fees are deducted. A list of all employees within the bargaining unit and any deductions that have been made and the amount of each deduction shall accompany each remission. Any changes in personnel from the list previously furnished shall be submitted to the Union within ten (10) working days.

ARTICLE IV PROFESSIONAL GRIEVANCE PROCEDURE

4.1 Definitions

- A. Any claim by a teacher or the Union that there has been a violation, misinterpretation, or misapplication of the terms of this Agreement shall constitute a grievance.
- B. For the purpose of the grievance procedure, a "day" shall constitute as a day the school district's business office is open.
- C. All grievances must be filed in writing within ten (10) days of the occurrence of the event giving rise to the grievance.

4.2 Procedures

The parties hereto acknowledge that it is usually most desirable for a teacher and his/her immediately involved supervisor to resolve problems through free and informal communications. When requested by the teacher, a Union representative may accompany the teacher to assist in the informal resolution of the grievance. If, however, the informal process fails to satisfy the teacher or the Union, a grievance may be processed as follows:

Step #1 – The teacher or the Union may present the grievance in writing to the principal who will arrange for a meeting to take place within seven (7) days after receipt of the grievance. A union representative, if desired by the teacher, and the principal shall be present for the meeting. Within seven (7) days of the meeting, the grievant shall be provided with the principal's written response, including the reasons for the decision.

Step #2 – If the grievance is not resolved satisfactorily at Step #1, then the grievant may refer the grievance to the Superintendent or his/her official designee within six (6) days after the receipt of the Step #1 answer. The Superintendent shall arrange with the grievant or the Union for a meeting to take place within ten (10) days of the Superintendent's receipt of the appeal. Each party shall have the right to include in its representation such witnesses and counselors as it

deems necessary. Within ten (10) days of the meeting, the employee or the Union shall be provided with the Superintendent's written response, including the reasons for the decision.

Step #3 – Should the grievant not be satisfied with the disposition of the grievance at Step #2, the grievant may within ten (10) days of receiving the decision appeal to the Board of Education. This appeal, directed to the secretary of the Board, will be in writing and will be accompanied by a copy of the complaint and the decision rendered at Step #2. The Board will meet on the matter at the regularly scheduled board meeting, providing the appeal is received by the Board Secretary at least forty-eight (48) hours before the regularly scheduled meeting of the Board. This meeting will consist of the Board, Superintendent, Complainant, and his/her Union representative, if desired. Within five (5) working days after the meeting, the Board will provide a written decision, with supporting reasons, to all parties involved.

Step #4 – If the Union is not satisfied with the disposition of the grievance at Step #3, then attorneys from both sides will meet to arrive at a resolution. Each attorney's costs will be at each organization's own expenses.

Step #5 – If the Union and/or Board are not satisfied with the disposition of the grievance at Step #4, the Union and/or board may submit the grievance to final and binding arbitration. If a request for arbitration is not filed within thirty (30) days of the date for the Step #4 answer, then the grievance shall be deemed withdrawn. Expenses for the Arbitrator's services shall be borne equally by the Board and Union. The arbitration proceeding shall be conducted by an Arbitrator to be selected by the two parties within seven (7) days. The Federal Mediation and Conciliation Service (FMCS) will be requested to provide a panel of seven (7) arbitrators. Each of the two parties will alternately strike one name at a time from the panel until only one shall remain. The remaining name shall be binding on the parties.

His/her authority shall be strictly limited to deciding only the issue or issues presented to him/her in writing by the District and the Union, and his decision must be based solely and only upon his/her interpretation of the meaning or application of the express relevant language of the Agreement.

- A. No teacher shall be required to discuss any grievance in the absence of a representative unless said teacher so desires.
- B. No reprisals of any kind shall be taken by the Board or the Union against a teacher because of his/her participation in this grievance procedure.
- C. All records dealing with the process of a grievance shall be filed separately from the personnel files of the participants.
- D. The time limits at the step of this grievance procedure may be extended by written mutual agreement.
- E. A grievant may withdraw a grievance at any time without prejudice.

4.2 A grievance must be filed and appealed within the time limits set forth above, or it shall be considered waived (if not filed in time) or settled on the basis of the last answer given (if not

appealed in time). If the Board does not give its answer within the time limits set forth above, the grievance shall move to the next step of the Grievance Procedure.

- 4.3 It is understood that, with the written agreement of both parties, the time limits specified in this Grievance Procedure may be extended or waived.

ARTICLE V EMPLOYEE EVALUATION

5.1 Evaluations for non-tenured and tenured teachers

- A. The evaluation form shall provide for comments to be made by the evaluator in each of the areas of the form. Such comments shall be required for a rating of excellent, proficient, needs improvement, or unsatisfactory.
- B. Each formal evaluation document shall be completed in duplicate, and a copy signed by the evaluator and the teacher shall become part of the teacher's personnel file. As a result of the observation(s), each formal evaluation will be constructed and presented to the teacher within twenty (20) school days of the observation. The Administration will furnish a written copy of the evaluation to the teacher at least twenty-four (24) hours prior to the post-observation conference. If a negative evaluation is issued, the evaluator shall make recommendations which may include suggestions to the teacher on obtaining assistance to improve the quality of teaching and to eliminate difficulties noted in the evaluation.
- C. The teacher shall have the right to comment on the evaluation, and such comments shall be attached to the formal evaluation and become part of the permanent record.
- D. Evaluations will be based upon an evaluation plan which will follow the components for evaluation as outlined by the Illinois School Code, Performance Evaluation Reform Act (Senate Bill 7) and/or the Rules and Regulations of the Illinois State Board of Education.
- E. Administration must provide a minimum of five (5) days' notice for all formal observations and the pre-observation meeting shall be a minimum of one (1) day before the observation.

5.2 Non-tenured Teachers

- A. The classroom teaching performance of non-tenured teachers shall be formally evaluated a minimum of twice each school year.
- B. Within six (6) weeks after the beginning of his/her employment, the building principal shall acquaint each beginning teacher with the evaluation instruments to be utilized and the procedure to be followed. No formal evaluation of classroom teaching performance may take place until such orientation has been completed.
- C. The minimum number of formal classroom evaluations provided for in 5.2A above shall be in writing, preceded by an in-class observation of the teacher's performance. Nothing prohibits qualified administrators from conducting evaluations of a teacher's

performance and/or assigned duties more frequently in any year than set forth in Article V.

- D. Evaluation time lines shall be as follows:
 - 1. The first formal observation will be completed by October 31st.
 - 2. The second formal observation will be completed on or before March 1st.
- E. No later than April 1st, the evaluator shall complete a final evaluation report and make recommendations as to reemployment for each probationary teacher. A copy of the recommendations shall be furnished to the teacher no later than April 1st. This document shall not make reference to information which has not previously been made known to the teacher.

5.3 Tenured Teachers (Continual Contractual Service)

- A. All teachers in continued contractual service will be evaluated every other year. Evaluations will include one independent observation inclusive of pre- and post-conferences. Nothing prohibits qualified administrators from conducting evaluations of a teacher's performance and/or assigned duties more frequently in any year than set forth in Article V.
- B. The observation(s) will be completed on or before March 1st.
- C. The Rockdale Board of Education shall retain the right to additional observations and subsequent evaluations in situations that they deem necessary and proper during the two-year evaluation cycle. In such cases when additional observations are requested, the teacher and Union president will receive formal notice of the additional observations to be made. The evaluation process will then proceed in the prescribed manner as stated above.
- D. Teachers retain the right to request and receive additional evaluations. Evaluations will be completed within twenty (20) working days of the request, excluding the months of September and May. Each observation may be conducted by a different administrator.
- E. A professional development plan shall be completed as required by 105 ILCS 5/24 A-5(2)(h) for a teacher who receives a rating of "needs improvement" in a formal summative evaluation.
- F. A tenured teacher who receives a rating of "unsatisfactory" in a formal summative evaluation shall follow the remediation procedure set forth in 105 ILCS 5/24 A-5(2)(i), provided the basis for the unsatisfactory rating is the result of possible remedial teaching performance. The remediation procedure in 5/24 A-5(2)(i) shall not apply if the basis for teacher dismissal is irremediable teacher misconduct.

ARTICLE VI JOINT BOARD-UNION PROFESSIONAL CONCERNS COMMITTEE

The Board of Education will authorize a committee of administrators and Board members to meet with the representatives of the Union. These meetings shall be at mutually agreeable times and dates to discuss issues of concern. Agenda items shall be exchanged by the Principal and Union president at least three (3) school days before each meeting. These meetings shall be

“meet & confer” sessions, but this does not prohibit the parties from arriving at mutually agreed resolutions of issues. This committee shall consider, evaluate, and may make recommendations to the Board regarding non-contractual professional matters of mutual concern. This committee shall meet bi-monthly—September through May—unless both sides agree to cancel a meeting. A June meeting will be scheduled if necessary. This committee shall periodically report to the Board and may make a final recommendation to the Board upon completion of deliberations relative to professional matters under consideration which require Board action. Meetings and specific topics for consideration may be initiated by the Board, the Administration or the Union.

ARTICLE VII LEAVES

7.1 Sick Leave

Each full-time teacher shall be entitled to fifteen (15) days of paid sick leave per school year, which may accumulate to three hundred and forty (340) days.

Sick leave shall be interpreted to mean personal illness, quarantine at home, illness, or death in the immediate family or household. The immediate family for purposes of this section, shall include, parents, spouse, brothers, sisters, children, grandparents, grandchildren, parent-in-law, brother-in-law, sister-in-law, legal guardians, and civil union partners.

A teacher who is sick and/or disabled and thus physically unable to teach as a consequence of his/her illness and/or disability, shall be entitled to utilize accumulated sick leave during such periods of illness or disability provided a doctor’s certification is filed with the office. If any teacher shall have exhausted all accumulated sick leave, the teacher may request of the school board a leave of absence without pay for illness or disability.

7.2 Leave of Absence

A leave of absence without pay may be granted to an Employee who has been in the employment of the district for at least four years for any absence the Board of Education deems valid. The request for such leave shall be in writing at least sixty (60) days prior to the date of the leave requested and shall include such information as the reason for the request and the length of the leave desired. The Superintendent may waive the 60-day notice requirement in instances of an emergency nature.

An employee granted leave may be eligible to remain on the group health insurance plan provided the Employee pays the entire premium for the length of the leave. It will be the employee’s responsibility to make payment on the monthly premium due date in a timely fashion. Premium costs are payable directly to the school district. Failure to pay on time will result in a loss of coverage. *Employees granted leave are subject to the agreement of the master contract with the district’s insurance carrier and should familiarize themselves with all requirements for eligibility on the group’s plan. Some contracts require 30 hrs. per week for eligibility.

An employee granted such leave and upon returning:

- A. Shall maintain tenure status but shall not receive credit on the salary schedule for the period of absence.

- B. Shall be placed in the salary schedule at the same line they were at upon taking the leave.
- C. Shall be reinstated in a position for which he/she is qualified.
- D. Shall not receive advancement on the seniority list for the time spent on leave.

7.3 Professional Leave

The Superintendent may grant as many days of professional leave to each employee as he deems fit and proper. Professional leave days may be used for any professional purpose including but not limited to the viewing of other instructional techniques or programs, conferences, workshops, or seminars conducted by colleges, universities, the AFT and/or affiliate departments thereof. The employee shall request the use of a professional leave day at least one (1) week in advance of his/her use of a professional day.

7.4 Personal Leave

All requests for personal leave must be submitted in writing to the Superintendent (principal) on the approved form "Application for Personal Leave," except in emergency situations. All requests for personal leave must be submitted at least three (3) working days prior to the requested day. Each full-time teacher may request up to three (3) personal days per year. Part-time teachers with a fifty percent (50%) full-time equivalency (FTE) or greater will receive a pro-rated number of personal days. No requests will be approved if the operation of the school will be adversely affected because of the lack of available substitute personnel. No reason need be given for personal day use. A limit of two (2) teachers per day may use personal days. No personal leave, including first requests, may be taken at the following times:

- A. During the first five (5) days of the school year.
- B. At any time which would extend a school vacation period as scheduled in the school calendar.
- C. At any time which would extend a holiday, as scheduled in the school calendar.
- D. During the last five (5) days of the school year unless a child or spouse of the teacher may be graduating from a grade school, college, or other advanced school. If this situation occurs, all efforts should be made by both teacher and principal to insure that the teacher be absent no more than one (1) day.

The above constraints may be waived by the superintendent. Unused personal days may be rolled over to the following year as sick leave days. In the event a request for personal leave is denied, the teacher will be notified, with a specific reason for denial, as far in advance as possible, but no later than the second to last working day prior to the requested personal day. Every effort should be made by the superintendent (principal) to notify the teacher in writing prior to the requested day; however, the teacher must be given a written reason no later than the end of the second working day following the requested personal leave day. The reason for denial shall be final.

7.5 Child-Rearing

- A. **Child Care Leave:** Child care leave shall be defined as a leave granted for maternity, paternity, foster, or adoptive parenthood. It is understood that foster parenthood will apply to cases involving children under the age of ten (10) years. A teacher covered by this Agreement shall be permitted a leave of absence without compensation, without loss of tenure, or position on the salary schedule under the following conditions:
1. 1. If a child care leave is desired, the teacher shall arrange for a meeting with the Superintendent at least 120 calendar days prior to the anticipated leave. The purpose of this meeting shall be to work out the period of such leave subject to the provisions of this section. In the case of foster or adoptive parenthood, notification of anticipation of a leave shall be given to the Superintendent at the time the teacher has been notified of eligibility. Such notification of anticipated leave shall be placed on file with the Human Resources Office for a period of one year.
 2. In order to preserve continuity of instruction, it is agreed that a child care leave shall, if at all possible, begin and/or end at a natural break in the quarter or semester. Notification of a teacher's intent to return shall be given to the Superintendent of Schools, or his/her designee, by March 1st prior to the date his/her leave expires. Failure to provide such notice will be viewed as a resignation by the teacher.
 3. A child care leave shall not exceed the remainder of the school year in which it is granted and up to one additional school year. A request for extension of a child care leave shall be submitted to the Superintendent at least sixty (60) calendar days prior to the expiration date of the leave.
 4. Upon returning from child care leave, a teacher shall be placed in the position he/she held at the time the leave commenced, if such position still exists, or a position for which he/she is qualified, if such is available.
 5. Teachers who become pregnant and who wish to continue their employment on an active basis, will provide the Superintendent, or his/her designee, with documentation issued by a licensed physician, certifying her medical capacity to continue with active employment.
- B. **Family and Medical Leave (FMLA):**
Eligible Employees are entitled to leave according to the terms of the Family and Medical Leave Act ("FMLA") subject to the following provisions:
1. "Eligible Employees" means an employee who has been employed by the District for at least twelve (12) months and who has worked at least 1,250 hours during the twelve (12) months preceding the period of the requested leave.
 2. Eligible Employee will be granted FMLA leave up to a total of twelve (12) weeks for one or more of the following conditions:
 - i. The birth of a child and the care for the newborn child.
 - ii. The placement with the employee of a child for adoption or foster care and the care for the newly placed child.
 - iii. To care for the employee's spouse, child, parent, or employee's household with a serious health condition.
 - iv. A serious health condition that makes the employee unable to perform one or more of the essential functions of his or her job.
 - v. For certain qualifying exigencies, as defined by FMLA, arising out of a covered military member's active duty status, or notification of an impending call or order to active duty status, in support of a contingency operation.
 3. FMLA leave shall be extended for up to a total twenty-six (26) weeks per twelve (12) month period to care for a spouse, son, daughter, parent or next of kin who is a covered service member recovering from a serious injury or illness incurred in the line of duty on active duty. The twelve (12) month period in which the twelve (12) weeks of leave may be taken will be calculated under a rolling twelve (12) month period measured backward

from the date an employee uses any FMLA leave. Under this method, each time an employee takes FMLA leave, the remaining leave entitlement would be any balance of the twelve (12) weeks, which has not been used during the immediately preceding twelve (12) months.

4. Employees taking FMLA leave to care for a child, spouse, parent, employee's household or the employee's own serious health condition may use accrued paid sick leave days concurrently with the running of the period of FMLA leave. For that period of FMLA leave for the birth and care of a newborn child during which the employee is unable to perform one or more of the functions of his or her job, the employee may use accrued paid sick leave days (for conditions for which sick leave is applicable) concurrently with the running of the period of FMLA leave.
5. In any case in which the necessity for FMLA leave is based upon an expected birth or placement for adoption, or planned medical treatment for a serious health condition of the employee, family member, or member of the employee's household, the employee will provide the Superintendent with at least thirty (30) calendar days advance written notice of the date the leave is to begin. When the need for FMLA leave is due to unforeseen circumstances and advance notice is not practicable, the employee will provide notice of the need for such leave as soon as practicable. Whenever feasible, the employee will provide the Superintendent with at least thirty (30) calendar days advance notice of intent to return from the leave.
6. FMLA leaves will be governed by the terms of the Act and the regulations issued by the U.S. Department of Labor, subject to the terms of this Agreement. In the event the Family and Medical Leave Act is repealed, then this Section of this Article will no longer be in force and effect.

7.6 Leave for Military Service and Annual Training

- A. A teacher who is called to active service or deployment by the Illinois National Guard or any branch of the United States Armed Forces (active or reserve units) shall not suffer loss of pay or benefits as may be required by federal or Illinois law for mandatory active service in the military. However, the employee will reimburse the District (or consent to reduction in pay or benefits by the District if the law allows) for any monies received by him/her while on active military duty. The employee shall be granted leave for military service from the date he/she is ordered to report for active military service until the 30th day following the date of the employee's discharge or termination of active military service. The District's obligation to pay the employee's salary or benefits shall terminate on that 30th day following the employee's discharge or termination from active military service or shall terminate on the day the employee returns to work in the District, which ever comes first.
- B. The Board shall grant an employee leave for paid military family leave consistent with the provisions of the Family Military Leave Act (820 ILCS 151/5). "Family military leave" means leave requested by a teacher who is the spouse/partner in a civil union, parent, child, or grandparent of a person called to military service lasting longer than thirty (30) days with the State or United States pursuant to the orders of the Governor or President of the United States.

7.7 Bereavement Leave

These risks would include, but are not limited to, health conditions covered by the Will County Health Department's list of communicable and infectious diseases.

8.2 Staff Vacancies

If there are any vacancies that occur in teaching positions, the position will be posted-via-the District intranet and emailed to all staff so that current staff members may apply. It will be the administration's responsibility to notify the membership of this vacancy within five (5) days of the official date of the vacancy. When a vacancy occurs, current staff members shall be given consideration in filling the position provided the current staff member is qualified for the position and desires to fill the position. Interested, qualified staff will be granted an interview for the position

8.3 Employee Notification of Assignments

An employee shall be given written notice of his/her tentative assignments for the forthcoming year no later than sixty (60) days preceding the first day of the school term. 8.4 Employee Work Day

Each teacher shall be entitled to and be allowed a duty free, uninterrupted lunch period of not less than thirty (30) minutes in each school day in accordance with Section 24.9 of the Illinois School Code. Each teacher shall also be entitled to an average of forty (40) minutes of planning/prep time on full-attendance days. On partial-attendance days, classes will proceed using a shortened schedule, and all planning/prep times will be shortened accordingly. The teachers' work day is seven (7) hours and fifteen (15) minutes; the student day is six (6) hours and fifty (50) minutes.

8.5 Leaving the Building

The building principal or Superintendent may permit teachers to leave the building during their preparation and lunch periods. Proper notice must be given to the principal or Superintendent, and the teacher must sign out on the office log book.

8.6 Teacher Assignments and Responsibilities

- A.** Elementary classroom teachers may, under normal circumstances, use for preparation time and other professional responsibilities the periods during which their classes are administratively scheduled to receive instruction from music or physical education teachers.
- B.** Planning periods shall be used by teachers for enhancement of their professional performance and/or for instructional preparation.
- C.** Teachers will be required to attend one (1) thirty-minute faculty meeting, one (1) thirty-minute grade-level cluster meeting, and one (1) other thirty-minute meeting as needed per month. At a minimum, teachers will also attend Open House, Parent Conference Meetings, and one (1) additional after-school event per year.
- D.** When teachers attend meetings or functions specified by the Administration, not mentioned in C above, that extend their contractual work day, they shall be compensated at the rate specified in the extra-curricular clubs' schedule of this contract. This provision includes meetings just prior to and following the contractual work day along with any evening functions that require teacher attendance and participation. It shall be the teacher's responsibility to document his/her attendance and participation at meetings and events that take him/her beyond the contractual work day by filling out an appropriate form and submitting it to the principal.
- E.** As a result of Senate Bill 7, teacher individual evaluations will be affected by participation in school-sponsored committees.

 - 3. A teacher shall have the right to answer the material within seven (7) days, in writing, and this answer shall be attached to the corresponding material.

8.8 School Calendar

In accordance with school law, the Board shall establish a school calendar that shall contain no more than 185 days which shall include five (5) emergency days and a combination of full institute days, half-day inservice workshop days, and the equivalent of two (2) parent-teacher conference days, providing a total of at least four (4) days. If the five (5) emergency days are not used for emergency purposes by May 1, they will be deducted from the end of the school year. The first parent conference day will be required for all parents, but the second parent conference day may be an option for the parents depending on the child's progress in school. All teachers will be present for the second conference but will meet only with parents of students in academic or behavioral difficulty and those parents who choose to have a parent conference.

Normally, no later than November 31st, the Superintendent and/or designee(s) shall meet with a committee of teachers and Union President or designee to discuss the calendar for the coming year.

9.1 Hospitalization and Life Insurance Benefits

The school district will pay for teacher hospitalization and life insurance benefits at an 80/20 percent ratio. That is, the district will pay 80% of all costs and the teacher will pay 20% of all costs. The district will pay family coverage at the ratio of 77/23. These ratios will be in effect for the term of this agreement.

9.2 Salary - Part-time Teachers

Part-time employees covered by this agreement shall be entitled to salary and fringe benefits on a pro rata basis; according to their percentage time as compared to a regular full-time teacher, i.e. half-time would be 40% board 60% teacher for insurance benefits cost split.

9.3 Attendance Bonus

Teachers with no used sick time (whole or partial days) will be given an incentive bonus specified in the extra-curricular/clubs schedule of this contract payable at the end of the school term (before June 30). Sick days used due to death in the immediate family, School Code 122-24-6, will not be recorded against the incentive bonus provision.

9.4 Internal Subbing, Tutoring, and Detention

Teachers shall be reimbursed at the rate specified in the extra-curricular/clubs schedule of this contract for internal substituting occurring during planning periods and/or for tutoring services occurring during the non-contractual work day. All tutoring and/or substituting must be directed and/or authorized by the administration.

9.5 Extra-duty, Meetings, and Functions

The Administration and the Union shall convene during each school year to review and revise the District's extra pay program. The task force will be made up of an equal number of teachers (appointed by the Union President) and administrators (appointed by the Superintendent). This task force will review the current extra pay program and make recommendations for revisions. The task force will make its recommendations to the Superintendent and Union President no later than May 1 of each school year, with implementation of the new plan, if approved by the Board and Union, at the start of the following school year. All Board Approved revisions shall be attached to this contract as Appendix B. All extra-duty, meetings, and functions shall be paid at a rate specified in Appendix B.

9.6 Tuition Reimbursement Provision

The board shall reimburse each teacher up to \$1,000 per fiscal year (July 1 through June 30) for graduate courses as well as prior district-approved undergraduate courses. Teachers planning to take advantage of this reimbursement must seek prior approval from the Superintendent. The request for approval must be on the appropriate District form and shall constitute an intention and not an obligation. The last column of the salary schedule will now read PHD, Double Masters, Masters +60; to move into this column, all new graduate-level course work must be approved by the Superintendent before the class begins. Reimbursement for such classes will be made following the next School Board meeting after a teacher shows evidence of tuition cost and satisfactory (C Average) completion of the course.

9.7 Catastrophic Sick Day Donation Program

The purpose of this program is to permit licensed staff who have a "catastrophic" condition as defined below to request donations of sick days from licensed staff. Licensed staff may donate no more than nine (9) total sick days in a year to others with a catastrophic condition, and may donate no more than three (3) days to a particular person in a year. This donation program serves as a way to bridge the gap from the point the person exhausted all of his or her sick days and personal days to the point the person returns to work or is on disability leave or other leave approved by the Board or collective bargaining agreement.

A. Eligibility to Receive Sick Days

This program is available to the full-time licensed staffs of the School District who have exhausted all of their accumulated sick leave, used their personal days, and suffer from a personal illness, disability, or hospitalization of a “catastrophic” nature. Catastrophic refers to life-threatening, extraordinary, or chronically debilitating medical conditions and is not intended to include commonplace or ordinary medical conditions. Examples of catastrophic medical conditions include certain cancers and pregnancy/child-birth complications that are hazardous to the life of the mother and/or unborn child. In contrast, the flu, broken leg, and routine pregnancies are not considered catastrophic medical conditions. Generally, catastrophic medical conditions must be considered both long-term in nature and require long-term recuperation periods. A physician’s statement certifying that the medical condition is life-threatening, extraordinary, or chronically debilitating must be submitted with the staff person’s request to access this program. The Catastrophic Leave Committee shall determine whether a staff person qualifies for this program.

Any staff person who is receiving disability benefits or who is absent for illness or injury due to a work-related accident may not avail himself/herself of any benefits of this program. Any staff person who is on a Board-approved leave of absence shall be ineligible under this program.

B. Eligibility to Donate Sick Days

All full-time licensed staff members are eligible to donate sick days under this program. Individuals can decide, within each of their own discretion, whether they would like to participate in this program since it is purely voluntary. No person may donate more than three (3) sick days in a year to a person with a catastrophic condition and no more than nine (9) sick days in the aggregate in that same year to others with a catastrophic condition. Staff who elects to donate sick days will remain anonymous and will inform the superintendent of their intentions to participate in the program. The recipient of the donated days shall not know the identity of those donating sick days. Only the district superintendent and bookkeeper will have knowledge of those staff members donating days for record-keeping purposes.

C. Procedure

A person wanting to receive sick days under this program must first make a written request, that includes the physician’s statement referenced in B, to the Superintendent asking to solicit sick days from others who are licensed staff. Within three (3) days of receiving the written request, the Superintendent shall convene the Catastrophic Leave Committee to determine whether the requesting person is eligible for this program. Within one (1) day of when the committee determines that the person is eligible, the Superintendent shall deliver a copy via email and via mailbox to the staff eligible to donate sick days. A staff person should respond to the request within ten (10) school days by contacting the Superintendent and executing any forms necessary to effectuate the transfer of the sick days.

The recipient of the sick days received in connection with this program must use said days during the school year in which the sick days were donated. Any unused sick days provided to a specific employee will go into a “sick bank” which will be reserved for the next employee approved to receive future catastrophic need. The “sick bank” must be exhausted before participating staff will be asked to donate days to any specific employee for that particular fiscal year.

D. Catastrophic Leave Committee

The Catastrophic Leave Committee shall be made up of four (4) members, consisting of the Superintendent, the Union President, and one designee by each. The decisions of the Committee shall be final and are not subject to a grievance, arbitration or other review.

**ARTICLE X
RETIREMENT PLAN**

The Board shall recognize the services of those teachers who have rendered creditable service to the District immediately preceding retirement and are eligible to receive pension benefits through the Teacher's Retirement System of the State of Illinois (TRS).

10.1 To Be Eligible, the Teacher:

- A.** Must have rendered at least fifteen (15) years of creditable service to Rockdale School District 84 immediately preceding his/her retirement.
- B.** Must be eligible to receive pension benefits through the Teachers' Retirement System of the State of Illinois.
- C.** No teacher may participate in this program unless he/she has sufficient service credit and/or age credit, under the Illinois Teachers' Retirement System to exempt the employer from the payment of any penalty or other additional amount, to the Teachers' Retirement System.
- D.** Must submit an irrevocable letter of resignation to the Board no later than May 1 of the school year preceding the last four full years of teaching.
- E.** The Board and individual members of the collective bargaining agreement who have signed a four (4) year letter of retirement can at any time during those four (4) years negotiate an earlier retirement that would be beneficial for both the employee as well as the school district.
- F.** Retirement shall in all instances occur only at the end of the school term.

10.2 Benefit

The Board shall increase the teacher's salary to a maximum of 6% in each of the teacher's final two (2), three (3), or four (4) years of employment with submission of an irrevocable letter of resignation by May 1 of the year preceding the initial 6% increase.

The Board shall pay 80% of the teacher's health insurance premium into the *Teachers' Choice Health Plan (TCHP) for five (5) years or up to age sixty-five (65), whichever occurs sooner. Board will permit teachers to pay family coverage under the plan at cost. *In the event TRS health insurance is not available to retirees in the first five years of retirement, the Board will compensate the retiree at the rate of the TRS premium immediately prior to that program's demise.

10.3 Conditions

The Board may, in its sole discretion, limit the number of teachers who retire under this plan in accordance with TRS guidelines. In the event of any limitation in the program, the teachers with the greatest District seniority shall have the participation option.

MEMORANDUM OF AGREEMENT

1. INTRODUCTION

The Board of Education of Rockdale School District No. 84, Will County, Illinois (BOARD) and the Rockdale Council of the American Federation of Teachers, Local #604, IFT-AFT, AFL-CIO, (LOCAL) are currently parties to a collective bargaining agreement covering the period 2019-2023. In March, 2020, the Governor issued a Disaster Proclamation closing schools to in-person instruction through the end of the 2019-2020 school year. Subsequently, the Governor and the Illinois State Board of Education authorized schools to re-open for the 2020-2021 school year and to develop plans to guide the reopening process. The District has developed such a Plan, which was approved by the BOARD on July 27, 2020.

2. PROCESS

Representatives of the BOARD and the LOCAL met to discuss the impact the reopening plan would have on the terms of their collective bargaining agreement, as well as other relevant terms and conditions of employment. This Memorandum memorializes the agreements reached by the parties on those issues discussed.

3. AGREEMENTS

A. The terms of this Memorandum will be in effect for the length of the implementation of the District's approved 2020-2021 school reopening Plan.

B. Evaluation

The Board and the LOCAL agree that a fair and effective evaluation cycle cannot be implemented while the State of Illinois is still under emergency orders. Teachers could potentially be asked to teach remotely, in a blended setting and full time in person. These are three completely different settings. Given this, along with the lack of available student growth data, the unpredictability of the school year does not allow us to effectively use a growth minded evaluation model.

Under these circumstances, the Board and LOCAL agree regular performance evaluations for the 2020-2021 school year will be conducted as follows:

- Any employee whose performance raises concerns among the Administration, requiring a formal evaluation. Before such evaluation is conducted, the employee and the Local President will receive formal notice from the Superintendent of the need, reason(s), and dates for the evaluation.
- Non-tenured teachers who have no previous rating will default to a "proficient" rating.

- Teachers who were scheduled for formal evaluation during 2020-2021, will not be evaluated. Instead, they will receive the “default” evaluation rating allowed by Section 24-11 of the Illinois School Code as follows:
 - If the teacher’s most recent performance evaluation rating was “proficient”, the teacher will receive a rating of “proficient” for the 2020-2021 school year
 - If the teacher’s most recent performance evaluation rating was “excellent”, the teacher will receive a rating of “excellent” for the 2020-2021 school year.
- C. The District Evaluation Committee reconvened early in 2020-21 to determine which, if any, provisions of the regular District Evaluation Plan require alteration due to the implementation of the reopening plan.
- D. This Agreement serves as notice required by law or the negotiated agreement to those individuals to be evaluated during the 2020-21 school year.
- E. Unless modified by this Agreement, all other terms and conditions of the parties 2019-2023 collective bargaining agreement will remain in full force and effect unless modified by the parties or a successor agreement is negotiated.
