An Evening with Joelle van Lent

COVID 19 has had a huge impact on each of us, and our entire community. As educators, we have reached out to Joelle van Lent to help us make sense of our role at this time and to help us feel confident in supporting the children and families we serve.

We would like to provide a Zoom session with Joelle for our interested families on Thursday May 28th at 6:30pm. This session is designed to explore how we are impacted by the stress we are each experiencing, and what we can do as individuals and caregivers to best support our children.
