<td>16.1%</td>
</tr>
</tbody>
</table>

2. On average, how often do you work per day since we began distance learning on 3/16/20?  

- 38.7% significantly less than my normal work hours  
- 17.2% a little less than usual  
- 12.9% about the same  
- 7.5% probably a little more than usual  
- 23.7% significantly more than my normal work hours

Using the scale below, please rate the following items:

- Poor
- Fair
- Satisfactory
- Very Good
- Excellent

Overall distance learning experience
Communication received from school administration
Communication received from teachers
Using the scale below, please rate your level of agreement/disagreement with the following:

- Online learning platforms and curriculum used were easily navigable for the students
- The workload was manageable and at the right level for your child's grade/ability level
- Lessons were engaging
Parents' best guess in terms of what learning model(s) they would prefer for their child(ren) next year (TK-12)

- Full-time distance learning from home: 35 of 428 responses (8%)
- A modified schedule mornings or afternoons on campus: 160 of 428 responses (37.6%)
- A modified schedule 1-2 days a week on campus: 81 of 428 responses (18.9%)
- Primarily distance learning with scheduled small group time with teacher(s) on campus each week: 68 of 428 responses (16.0%)
- A "Normal"/full-time on campus or close to normal school schedule: 79 of 428 responses (18.6%)

BUSD Reopening Planning
May 21, 2020

- Reopening Committee being established

- Regular guidance, communication, and updates from:
  - Centers for Disease Control and Prevention (CDC)
  - California Department of Education (CDE)
  - Department of Public Health
  - Inyo County Office of Education (ICOE) with collaboration from neighboring school districts in Inyo County
  - Local, state, and federal government
  - School staff, including the teachers & classified unions
  - Our Community

- School reopening is ultimately a district-level / board-level decision, within the general parameters given by the government and department of public health

- Colleges nationwide have been moving towards an online model for Fall 2020. Public schools, and our community, have a strong voice in that we want to do all we can to get students safely back on campuses.

- Moving forward with in-seat summer session for some students K-12 (July 20 - August 7)

- Plans are needed now, but also need to be flexible as circumstances change quickly and we need to be able to adapt
