

The annual levy represents the amount of money to be levied against the equalized assessed valuation of the taxable property in the District for the given year. The District levy shall be prepared annually from the best estimates that can be made. The annual levy preparation should be compatible with the long-range goals of the District. Personnel responsible for formulating the levy shall consider the approved budget in developing the levy.

Public review of the proposed levy is to be made in accordance with applicable laws and regulations.

After Board approval of the levy, the Superintendent shall file a certification of levy with the County Clerk, within the statutory period, specifying the amount of the levy.
