

The Board may charge general fees for textbooks, technology, field trips, musical instrument rental, uniforms, instructional materials and other general use items. Such fees are to be collected and entered in various accounts maintained in a proper manner as directed by law and rules and regulations of the Board.

In cases of financial hardship, parents may request full or partial waiver of such fees through the Building Principal. (Policy 5130 provides additional information on the process for waiving student fees.)
