

The administrative organization of the District shall be structured to promote the District's Mission and Vision Statements. The primary level of the organizational structure shall be:

1. **Board of Education** – Board of seven elected citizens responsible for setting District policy and strategic direction.
2. **Superintendent of Schools** – individual employed by the Board to serve as District executive officer responsible for the administration and management of the District in accordance with Board policies and directives and State and Federal law. The Superintendent is responsible for ensuring that Strategic priorities are carried out at the Tactical and Operational levels, for the benefit of students, and on behalf of the Board.
3. **Administrative Council** – team consisting of the Superintendent, the Assistant Superintendent, the Coordinator of Special Education Services, the Associate Coordinator of Special Education Services, all Building Principals, and the Junior High Assistant Principal. This team is responsible for coordinating District activities and implementing Board policies to achieve District objectives. Administrators are charged with creating and implementing Tactical processes that connect strategic priorities to everyday operations.
