

The Board shall delegate to the Superintendent all executive functions, including the adoption and modification of administrative procedures governing the schools. These procedures must be consistent with the policies adopted by the Board.

In the absence of applicable policy, the Superintendent is authorized to establish needed procedures subject to later confirmation in policy, subject to approval by the Board. The Board shall formulate and adopt administrative procedures when specific state laws require Board adoption. The Superintendent shall provide each member of the Board with a copy of the Administrative Procedures.
