

Middle School ELA - Emergency at Home Learning

Students, in your Google Drive is a folder called **E-Learning**. In that folder are lessons and materials for you to complete. Each folder contains **two days**' worth of lessons. The overall goal is for you to keep learning as you are away from school.

The basic format:

- Follow the directions for the day.
- The directions outline the passage you are reading and the Pearson Work to complete on that day.
- A passed iReady lesson is a requirement for **EACH** day and not for the week.

Need help?

- Feel free to email me (lmeister@rockdale84.org) if you have questions or need help.
