Pandemic Electronic Benefit Transfer Program (P-EBT) Approved for Families

May 22, 2020

Under the Families First Coronavirus Response Act of 2020, families that qualify for free or reduced price meals at school may be eligible for a new one-time Pandemic Electronic Benefits Transfer (P-EBT) of up to \$302 per child (pre-Kindergarten through Grade 12) to help cover the cost of meals students have eaten at home on days that schools have been closed. Students can receive P-EBT benefits even if they have been or continue to receive meals provided by the school district during the school closure. If your child was not previously eligible for free or reduced price meals, but you have now lost income, you may be eligible to receive P-EBT benefits (review the P-EBT Eligibility Criteria document below).

The benefit is placed on an Electronic Benefit Transfer (EBT) card families use to buy food. If you received Food Stamp (SNAP) benefits in March, do not apply for these new/additional benefits. The full \$302 will automatically be loaded to your existing EBT card. If you did not receive Food Stamp (SNAP) benefits in March, you **must apply for this benefit by June 30, 2020** (see below).

The most efficient way to apply is to submit your application online at [EmergencyMealSurvey.com/MO](https://www.emergencymealsurvey.com/MO). You will also likely experience a faster approval process. If you're not able to apply online, you can follow the link below to the paper application. The fillable PDF document can then be emailed or mailed to the Department of Elementary and Secondary Education (DESE). You will find complete instructions and additional details in the letter to families below.
