

COVID-19 GUIDANCE FOR FAMILIES FALL 2022

What do I do if my child has COVID-19?

- Your child should stay home and away from others for 5 days after a positive test or when symptoms start.
- Your child may return to school on day 6 if they have not had a fever in the past 24 hours. They should wear a mask for the next 5 days.

What do I do if my child has been exposed to someone with COVID-19?

- If they have symptoms of COVID-19, they must stay home and should be tested.
- If no symptoms, they may keep coming to school, but should wear a mask for the next 10 days AND test for COVID-19 on day 5.
