

Week of: May 25 - 29 (No School Monday)

### Weekly Standard

#### Math

5.G.B.3 & 5.G.B. 4

Students will learn to classify quadrilaterals and triangles through their attributes.

#### ELA

CCSS.ELA-LITERACY.L.5.4

I can understand language focusing on what words mean, how they are used, and being able to use the parts of a word to decode and find meaning.

#### Science

LS1-Structure and Function  
LS2-Ecosystems  
LS4-Biodiversity

### Weekly Big Goal

#### Math

Students will continue learning about quadrilaterals as well as attributes of triangles. Students will continue practicing their basic facts through Gimkit and Reflex.

IXL: 15 minutes daily  
Other Activities: 30 minutes daily

#### ELA

This week we will participate in daily challenges that will test our knowledge of the function of language! We will use Quizlet, Kahoot, IXL, and Classroom to practice language, and use fun tools to better understand words.

For the final weeks we will be reviewing fundamental ideas about science and engineering by running some simple experiments online from home as well as previewing some vocabulary for next year.
