Good afternoon EGF ISD 595 Families!

The reason for this message is to inform families about some small adjustments to the 21-22 school calendar and the last official student day. Mother Nature has not been very cooperative and I am hopeful that there will not be a need to cancel school again for the remainder of the school year! Due to the loss of student contact time, the following adjustments are being made to the 21-22 school district calendar. Extra time was built into each building's schedule in order to meet the minimum number of student contact hours required by state statute if adjustments were needed. I realize this is short notice and apologize if it causes any inconveniences for you. Please feel free to contact me if you have any questions or concerns.

THANK YOU in advance for your flexibility!
