7:15 PM

Good evening, EGF Families and Staff Members,

The primary reason for this message is to provide information regarding the status of school on Wednesday, December 14, 2022. The predicted snowfall has arrived and it looks like it will continue for a while. I am planning to make a decision by 8:30 p.m. tonight about the status of school, but wanted to share the following options in advance. The chances of being able to start school on time tomorrow are very low.

Option 1 - Start school on time

Option 2 - Start school two hours late

- If this option is selected, the scheduled early dismissal would be canceled and students would be dismissed at the regular release times at each building.
- This option would provide time to clean out the school parking lots and roads.

Option 3 - Cancel school

- If school is canceled tomorrow, it WILL NOT be an elearning day and the first storm day listed in the district calendar would be used.

Please stay tuned for updates! I plan to communicate a decision by 8:30 p.m.

Thank you!

Mike Kolness
