

District 88 summer food-service program

At District 88, the well-being of students is our No. 1 priority. We are committed to making sure students continue to receive food service while they're not in the buildings. District 88 is partnering with Addison School District 4, School District 45, Salt Creek School District 48, Arbor Management, Chartwells and Cottage Hill Operating Company to provide meals. See more details at www.dupage88.net/Coronavirus.
