

**Garrison Public Schools  
Smart-Restart Guidelines  
Last Updated 5/19/2020**

---

Garrison Public Schools understands the importance of activity and connection as it pertains to the health and well-being of our students. We also understand that distance education doesn't provide for optimal learning experiences for many of our students. On May 11, 2020 Governor Burgum issued Executive Order 2020-04.2, which has given schools across the state the green light to begin opening their doors for certain programming. Knowing the importance of face-to-face learning, physical activity, and social interaction we have come up with the following guidelines for facility usage. The word "facility" refers to all property both indoor and outdoor owned by the Garrison Public School District. The guidance below will go in effect **June 1, 2020**.

**Please note:** *At any given moment these guidelines may be updated or changed. Furthermore, the North Dakota Department of Health and the Garrison Public School Administrative team has the ability to revoke these activities in a moment's notice. We will continue to monitor and adhere to guidance from the CDC, NDDoH, NDDPI, and the Governor's Office.*

**Coaches/AD's:** Any coach who wishes to use our facility must submit their dates of intended use to be placed on our gym use calendar to Mr. Dangel with advanced notice of a minimum of one week via email to him. Additionally, coaches must adhere to the guidance provided. No outside groups will be permitted to use our facilities (i.e. you must be a coach or employee for Garrison Public School working directly with a specific group of students in which you coach during the school year) nor will there be any camps in our facilities.

**District Sponsored Indoor Athletic Activities**

- Students will attend at their own risk with parents having final say if their child attends these activities.
- Coaches will take daily attendance of all students daily who attend.
- A maximum 15 people (students and instructors) are allowed in one given area at a time. Physical Distancing of 6-feet between each individual should be practiced at all times.
- No outside groups will be permitted to use our facilities.
- Face-masks are recommended.
- Good hygiene will be encouraged. (To include: hand washing with soap / coughing and sneezing into the elbow)
- Students and staff that feel sick must stay home.
- Locker rooms will not be available for any storage, so please dress appropriately for when you attend.
- Cleaning and disinfectant supplies will be provided to coaches and each team/group is responsible for cleaning during/after their use of the facility.
- Spaces will be cleaned and disinfected between each group by our custodial staff.
- The sharing of sporting equipment such as bats and balls should be limited. These items will need to be wiped down with disinfectant by the team using the facility.

**District Sponsored Outdoor Activities**

- A maximum 15 people (students and instructors) are allowed in one given area at a time. Physical Distancing of 6-feet between each individual should be practiced at all times.
- Coaches will take daily attendance of all students daily who attend.
- The sharing of sporting equipment such as bats and balls should be limited. These items will be wiped down with disinfectant by the team using the facility.
- Facemasks are recommended.
- Good hygiene will be encouraged. (To include: hand washing with soap / coughing and sneezing into the elbow)

**Playgrounds**

- These areas will **not** be cleaned and disinfected on a daily basis.
- Individuals wanting to use these facilities are encouraged to bring and use their own Personal Protective Equipment (PPE), such as wipes, sanitizers, and facemasks and use accordingly.
- Physical Distancing of 6-feet between each individual should be practiced at all times.
- Individuals that feel sick should not use these facilities.

---

I have reviewed the attached guidelines and understand there is the potential for in my child's involvement. I also will not allow my child to participate if they are sick. Lastly, I understand that these guidelines may be suspended changed and the school district reserves the right to do when necessary.

My signature signifies that I have read the guidelines and will adhere to them.
