

May 22, 2020

Good Evening Placerville Families,

I hope that all of you are looking forward to a nice three day weekend I know I am. I am also very excited for all the activities scheduled for the last week of school. I am calling to let you know that in the email associated with this call there is an attachment with grade level specific Summer Learning Fun Activities. Take some time to look over the activities with your child and decide if you want to participate.

For any student that participates in the listed activities for at least 4 weeks between June 1st and July 10th they will be entered into a raffle at the end of the summer. We will have some fun prizes to give away. If you choose to participate and have checked out a school Chromebook to use you may keep that Chromebook through July 10th. If you choose to not participate and just take the summer to relax we will be asking you to return the Chromebook and charger next week. Your Site Principal will be sending out a message with when and where the return will take place.

Also I want to thank all the families that have already filled out the survey sent out yesterday. We have already had over 800 responses. If you have not had an opportunity to fill it out yet please do so. The information will be very helpful in our planning process.

Have a great evening.

Eric Bonniksen
Superintendent
