“Success,
Nothing Less!”

Courtney Davenport, Principal

Nathan Espy, Assistant Principal
Pamela Cloud, Dean of Students

Dear MPMS Parents and Guardians,

As we embark on another summer, the MacIntyre Park Middle School Administrative Team wants to express our most sincere gratitude for the tremendous effort that you have displayed since mid-March. We are fully aware that you all have taken on many roles during this time, to include caretaker, provider, teacher, emotional support leader, and spiritual leader. With so many uncertainties in our world presently, we realize that you have had to carry a heavy burden for your families. We are extremely proud of the way that the MacIntyre Park parents and guardians have stepped up to the plate and responded during this great time of need. Your dedication and efforts will have a lasting impact on not only your children but also on our community.

We truly hope that our students will be together again in the school building this August. We have missed our daily interactions with students as we prepare them for success in school and beyond. Next school year will bring its own set of triumphs and challenges. But we are confident that with your continued support, our students and school will continue to soar towards greatness.

Please know how thankful we are for each of you. Do not hesitate to reach out to us if there is anything that you need over the summer.

Thank you, and Go Dogs!

MPMS Administrative Team
