

Soulsbyville Weekly Update

5-27-20

*June 1st-3rd will be the last week lunches will be served before the summer break.

*We are waiting for yearbooks to arrive on campus before we communicate about picking them up. Yearbooks are currently in production and have been delayed due to COVID-19. We hope to have them before the last day of school.

*Lost and found is on display in front of the cafeteria. Please check for lost items as all unclaimed items will be donated to a local charity.

*Using state and local health official guidelines and recommendations, our Soulsbyville School Re-Open Task Force will be putting together our plan for re-opening school on the campus August 19, 2020. We know there are many concerns and questions at this time. We appreciate your patience and will keep you fully updated as we work through the process creating a successful plan. When you receive any update or draft of our plan moving forward, your feedback is encouraged as we want to make sure your concerns are being addressed. Again, thank you for your patience and support.

*Online registration for the 20/21 school year is coming. Thank you for being patient as the final quirks and kinks are being worked through before the online program is available. We hope to roll it out this week or next.

*If your student needs personal items from their desk e.g. reading glasses, etc., or if they will not be returning to Soulsbyville School, please contact the office to arrange a pick up time. All other student desk items will be kept over summer break and returned to students in the fall.

*June 1st-3rd we will offer a drive thru to return school items each day from 11:00-1:00. Please return the following:

- Work Packets
- Borrowed Chrome Books
- Sports or Band Uniforms
- School Text Books
- Library Books
- Band Instruments
