

TOMORROW RIVER SCHOOL DISTRICT

Volunteer Background Check

It is the duty of the Board of Education at the Tomorrow River School District to ensure a safe and healthy environment for all students and all people on school grounds. As a volunteer, you may work with students and staff, and you need to make decisions that will help to ensure a healthy and safe environment. Always ask a staff member whenever possible when making such decisions.

To be an official volunteer, we require your permission to do a background check if you will be working with students on a regular basis. Please complete your consent below.

I authorize the School District of the Tomorrow River to perform a criminal history investigation. I am releasing the necessary personal information to you for this reason and it shall remain strictly confidential. I have the right to obtain a copy of the criminal history records, if any, and I have the right to challenge the accuracy and completeness of any information contained in the criminal history record, and to obtain a determination as to the validity of such challenge before final determination regarding my approval is made.

Any violations of the law, in the past or that may occur in the future, must be reported to the District Office. Any violations may cause the school district to refuse your volunteer services. Any violation that involves yourself and students will cause the school district to refuse your volunteer service to the district in its entirety.

I agree to all of the provisions above.
