SCHOOL-BASED HEALTH

Bringing the doctors office to you!

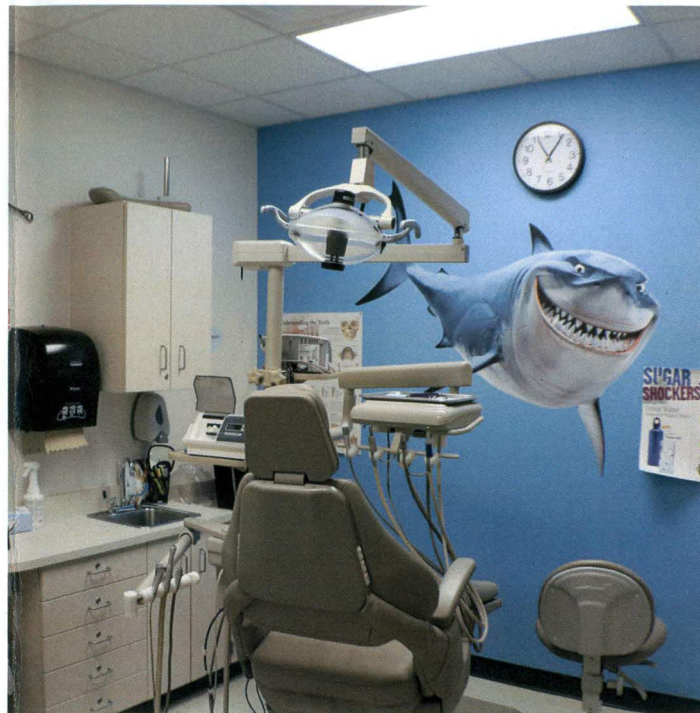

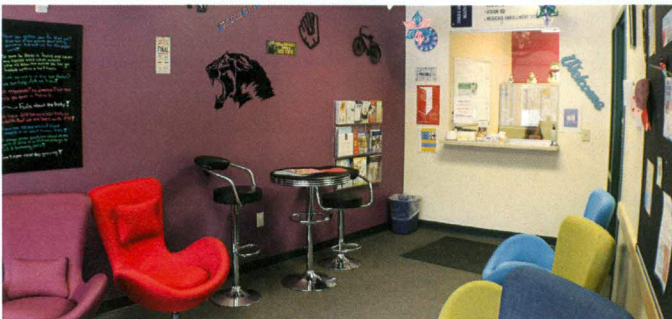

WHAT IS A CAHC?

Our services are provided on the school campuses in Baldwin, Grant and White Cloud; and are available to **all youth 5-21 years old** and their small children. We will bill insurance, but no one is turned away based upon ability to pay. No Insurance? We can help!

Once a parent/guardian signs a consent form, students are able to access services whenever needed. Consent packets are available at the school or the Child and Adolescent Health Center.

The clinics employ a team comprised of employees trained in adolescent health:

- Nurse Practitioners or Physician Assistants
- Dentists
- Dental Assistants
- Optometrists
- Medical Assistants
- Behavioral Health Specialists
- Outreach Workers
- Program Coordinators

STOP IN ANYTIME!

Scheduled appointments and walk-ins are welcome at anytime.

If you wish, you or your parent/guardian can call your local CAHC to schedule an appointment.

Services are open to all children, regardless if they attend school where that clinic is based.

The CAHC does not dispense birth control. It will also not counsel on abortion or give referrals for such services.

OUR SERVICES INCLUDE:

- Preventative Care
- Sick Visits/Acute Care
- Immunizations
- EPSDT/Well Child Exams/
Sports Physicals
- Referrals to Specialists
- Health Education
- Behavioral and Emotional
Therapy Services
