

Howard Grove School District

PI26 Plan – Academic Career Plans (ACP)

Approved July 2017 Board of
Education Meeting

What is PI26

- PI26 is state law that requires the Howards Grove School District shall provide:
- “access to an education for employment program approved by the state superintendent. The purpose of education for employment programs is to prepare elementary and secondary pupils for employment, to partner with business and industry, and to establish a link for public schools in the economic development of Wisconsin. In PI-26, education for employment requires a Career and Technical Education program designed to provide educational experiences and guidance for students to prepare and plan for the future. The State of Wisconsin recently approved legislation for Academic and Career Planning (ACP) in all public schools in the State of Wisconsin.” **115.28 (59), 121.02 (1) Wis. Stats. 115.787 (2) g), Wis. Stats.**

Education for Employment – PI26

- This chapter PI26 establishes the requirements for education for employment programs.
- The purpose of education for employment programs is to do all of the following:
 - (a) Prepare elementary and secondary pupils for future employment.
 - (b) Ensure technological literacy; to promote lifelong learning.
 - (c) Promote good citizenship.
 - (d) Promote cooperation among business, industry, labor, postsecondary schools, and public schools.
 - (e) Establish a role for public schools in the economic development of Wisconsin.

Howards Grove School District Academic and Career Planning and PI-26

- Academic and Career planning in the Howards Grove School District provides all students in 6th grade through 12th grade with the necessary information, opportunity, and resources to develop their own unique 'academic and career plan'.
 - The Wisconsin Department of Public Instruction (<http://dpi.wi.gov/acp>) in PI26 legislation, requires public school districts to provide academic and career planning services to students in grades 6 through 12 beginning in the 2017-18 school year.
 - These new requirements connect school districts' education for employment plans and programs to the new academic and career planning requirements.
- Our goal is to use Career Cruising and Inspire Sheboygan County to help develop an electronic portfolio that meets the academic and career planning needs of all students.

Know-Explore-Plan-GO

4 Stages to Successful Academic and Career Planning (ACP)

1. KNOW

Who am I? Get to know your interests, skills, and strengths.

2. EXPLORE

Where do I want to go? Explore career pathways and education opportunities.

4. GO!

Recalculate as needed.

3. PLAN

How do I get there? Set your route! Set goals, choose courses, join clubs and activities, obtain financing, fill out applications, write resumes.

Know- Explore-Plan-Go at HGSD

- Staff will help support student efforts to KNOW-EXPLORE-PLAN-GO, key aspects of the ACP process.
- Students are provided with information and guidance to make informed decisions regarding their educational choices and career direction, regardless of career goals.
 - Career Cruising
 - Inspire Sheboygan
 - Career Exploration activities
 - Self-Assessments
 - Applied Coursework related to careers
 - Parent Presentations
 - Grade Level Evening meetings
 - Teacher led career assignments with classroom teachers and advisement teachers with Career Cruising and Inspire Sheboygan
- Annual reviews with School District of Howards Grove counseling staff ensure that individual needs of each student in grades 6th through 12th are met.

Meeting needs of Individual student at the Middle School

		Journal Entry
		Reality Check – Lifestyle Budget/Career Salary

Meeting needs of Individual student at the High School

- **All students** assigned to grade level advisements of 15-18 students. Structured ACP assignments led by Advisors.
- Development of Academic and Career portfolio using Career Cruising/Inspire Sheboygan County.
- Grade level Parent Informational Meetings with School Counselor
- Grade level class selection meetings with School Counselor and CTE Teachers
- Grade level Newsletter (currently sent to junior and senior parent). Addition of freshmen and sophomore parent newsletter in 2017-18 school year.
- Annual review of portfolio with School Counselor. (April/May)

Meeting needs of Individual student at the High School

- **Seniors:** Through English 12, all seniors build a resume, mock interview, and develop essays for college applications and scholarships. Seniors have an opportunity to participate in co-ops in the area of engineering and manufacturing, along with the opportunity to do a youth apprenticeship, course and youth options and school-to-work for dual credit and job experience. College/university and military visits.
- **Juniors:** All high school juniors are required to participate in a job shadow, along with having the opportunity to pursue a co-op, youth apprenticeship, school to work, course and youth options. College/university and military visits.
- **Sophomores:** Student/Parent and Counselor Academic and Career Planning Meeting. Career Connections. College/university and military visits (2nd semester)
- **Freshmen:** Developing Study Skills, Making decisions and Goal Setting. Emphasis on 4 year plan, following sequence in course selection ...

Post Secondary Opportunities during High School

- Course Offerings
 - Dual Credit CAPP courses are offered through Lakeland University or the University of Wisconsin-Oshkosh. These courses are Dual credit and taught at Howards Grove High School.
 - Math (Pre-Calculus, Calculus, Probability and Statistics)
 - Science (Physics I and Physics II)
 - Foreign Language (Spanish V)
 - Advanced Placement (AP)
 - area of Biology, Chemistry and English
 - Advanced Placement courses online through CESA#7 NEWON
- Youth Apprenticeship/Co-op/Internships

The current job market's impact on student preparation

- Labor market information suggests that careers in Health Care, Manufacturing, and Hospitality are the fastest growing career fields in our area. The School District of Howards Grove, in cooperation with Lakeshore Technical College, helps address this need by providing opportunities for Youth Apprenticeships and Dual credit in high demand as well as all technical fields.
www.gotoltc.edu/YA
- Co-ops are made available in Manufacturing and Engineering by local business.
