Reminder for School Year 20-21

Dear Parents/Guardians:

In accordance with Chapter 14 of the New Jersey State Sanitary Code and the New Jersey Administrative code citation 8:57-4.1 to 8.57-4.20, all children entering the 6th grade or comparable age level for special education and those children born on or after 1/1/97, will need the following immunizations for admittance to school for the 2019-2020 school year:

T dap (1 dose)

Meningococcal (1 dose)

Physician documentation of these vaccines must be submitted to the certified school nurse prior to entrance into the school. This is no grace period and there will be no exceptions. All 6th graders must be in compliance.

The Ringwood School Nurse will be updating student records on a continual basis. Any time your child receives these new mandated vaccines, please forward verification to the Health office of the child's school.

Sincerely,
