

When official travel by personally owned vehicle has been authorized and mileage reimbursement approved, mileage payment shall be made at the rate currently approved by the board. For employees covered by flat allowance per month or per year, the mileage rate shall apply when the employee uses his/her personal automobile on authorized school business outside the district.

Credit Card

If district personnel are issued a district credit card for direct billing, it is the responsibility of the individual to indicate on the credit slip the kind of activity that is being charged. Upon returning to the district, all charge slips are to be submitted to the business office as soon as possible, along with the credit card.

Spouse Reimbursement

Expenses incurred for spouses of employees and/or members of the board shall not be reimbursed.

Authorization for Travel

All travel must be approved by the employee's immediate supervisor and superintendent. The appropriate forms must be completed prior to departure.

1. A Conference Request Form must be submitted no later than five school days prior to the meeting; and
2. Estimated expenses must be within appropriate budget allocations.

An Approval of Request Form signed by the superintendent shall constitute certification for authorized travel. Certain employees shall be authorized by the superintendent to travel locally in the performance of their duties and submit expense vouchers for reimbursement.

Methods of Travel

1. Travel by Common Carrier:

When a common carrier is authorized as the means of travel, the business office shall obtain reservations and tickets for the individual unless precluded by an emergency situation.

Round-trip tickets for coach, tourist or economy class rates over the same or a permissible substitute route are to be purchased whenever they will lower the total cost, unless authorized travel to several points precludes the use of a round-trip ticket.

2. Travel by Private Automobile:

a. Reimbursement for travel by private car should generally be authorized only under the following circumstances, with the reason indicated on the authorization form:

- 1) When common carrier service is not available without undue loss of time or unless common carrier use would be more expensive to the district. If the choice is made by the traveler, maximum reimbursement shall be limited to the lower of the mileage or common carrier cost;
- 2) When two or more persons are eligible for similar authorized travel and riding together would mean a saving to the district. (The superintendent is responsible for making such a determination before approving the travel request.);
- 3) When use of an automobile will permit the traveler to make stops en route and perform his/her duties more effectively; and
- 4) When the use of an automobile will not require the traveler to be away from his/her duties for a substantially longer period than travel by common carrier.

- b. Driving Extra Cars: Where two or more staff members could ride together on authorized travel, but choose to drive separately, any mileage reimbursement for which one of them might be eligible under (1) above, should be split among them. The toll and parking charges for the extra car or cars are not reimbursable.

Daily Travel

Local travel as authorized under these regulations is to be recorded on a daily basis and submitted to the business office at the end of each month for reimbursement. If such travel is less than 100 miles per semester, reimbursement may be requested at the end of the semester. Voucher must include, date, destination, purpose of travel, and number of miles for each trip.

All requests for reimbursement for travel during a fiscal year shall be submitted to the business office by June 30 of that year.
