Summary of Benefits and Coverage

Make informed choices

The Patient Protection and Affordable Care Act requires by law that all new enrollees in a healthcare plan must have access to an outline of their plan's coverage and benefits called a Summary of Benefits and Coverage (SBC) by October 1, 2012. New enrollees are comprised of (1) new hires and (2) employees that can make a plan selection or coverage change, as outlined in our Eligibility Policy. CVT has made access to this information easy for you through the following links to our various plans:

- [Anthem Blue Cross Plan SBCs](#)
- [Blue Shield of California Plan SBCs](#)
- [Kaiser Permanente Plan SBCs](#)

If you don't know which plans your district offers or you need help making an informed decision, please call CVT Member Services at (800) 288-9870. We are happy to help.

Please contact your dedicated Account Manager or Member Service Representative for additional copies of the employee SBC notification card, or print a supply [here](#).
