Re: National School Lunch Program

---

## **The following is information in regard to the National School Lunch program.**

As a reminder, we received approval to continue our sack lunch and breakfast program through June 30, 2020. We will continue to distribute these meals at the same pickup locations and during the same timeframe. However, beginning this Tuesday, May 26, we will only distribute meals **once a week**. Families who take advantage of this program will receive meals for **all five days on every Tuesday**. This program is available to all Lennox School District students and is provided at no cost. Please review highlights below.

### **Pickup Locations**

- Lennox Elementary
- Worthing Elementary
- Chancellor Reformed Parking Lot
- The Corner of W. 26<sup>th</sup> Street and S. Katie Ave. in Sioux Falls

**Monday May 25:** No meals provided, Memorial Day

**Tuesday May 26:** We will begin distributing meals only once a week at the same pickup locations between 11 AM and 12 PM. Students will receive five days' worth of meals on Tuesdays. This is intended to feed students Tuesday through Monday, excluding weekends.

### **Pickup Dates through June are as follows:**

- **May 26—11 AM to 12 PM**
- **June 2—11 AM to 12 PM**
- **June 9—11 AM to 12 PM**
- **June 16—11 AM to 12 PM**
- **June 23—11 AM to 12 PM, This is the last pickup date.**

**General Guidance for Meal Pickup:** Students who walk or ride their bikes to the pickup locations should bring a backpack or something similar beginning May 26. You are receiving five days' worth of food and it will be difficult to manage carrying all this food without a backpack. I've included a picture below that represents the amount of food you will receive so plan accordingly.

**Our Mission:** To work together to inspire lifelong learners who innovate, persevere, and collaborate to solve the challenges of tomorrow.

I wish you a safe and healthy summer!
