Re: Education Plan, March 30 through April 03

Lennox School District Families,

IMPORTANT: PLEASE READ THIS DOCUMENT IN ITS ENTIRETY.

The following is an outline of our education plan for March 30 through April 03. We know our families are under a great deal of stress and we do not want our distance learning plan to add to this stress. Our goal is to minimize learning regression during this time. If you have questions about what is being asked of your student, please contact their teacher. They are more than willing to help. You can expect ongoing communication from your teachers and principals during this extended closure.

- Please be advised that district staff are currently making phone calls to families to collect pertinent information to guide our future actions.
- If you do not have access to email please call (605) 647-2203 extension 8 between the hours of 8 a.m. to 4 p.m.

Teachers will provide additional details for the learning plans on Monday, March 30.
