Re: Education Plan

Lennox School District Families,

IMPORTANT: PLEASE READ THIS DOCUMENT IN ITS ENTIRETY.

Per the Governor's direction, Lennox School District will be closed March 23-27. We hope to be back in the classroom on March 30. However, we do not know what further directives will be given. Our goal during this extended absence is to limit learning regression and keep students engaged in learning activities. Below is our expected learning activities for students for the week of March 23-27. This is a fluid situation, you can expect this plan to evolve over time should we be required to be closed longer. Ongoing communication will follow next week.

Teachers will communicate with parents through email and posts on their website.

- ★ If you do not have access to email please call (605) 647-2203 extension 8 between the hours of 8 a.m. to 4 p.m.

Teachers will provide additional details for these learning plans on Monday, March 23.
