Thrillshare Announcement

Wow! Can you believe the 2019/2020 school year is coming to an end? Some of you may be thankful and some of you may be sorrowful, but all of us here at Fayette Central School are grateful for the time we had with your children and the effort you put forth to continue academic and/or social/emotional learning during this emotional time of uncertainty.

“The beautiful thing about learning is nobody can take it away from you.” ~B. B. King

The last day of school is Friday, June 5, 2020, only one week away. This is the last day of distance learning for your child and YOU! What will the summer bring for your family? Please be ready to complete a survey about the distance learning that happened this year and give feedback on how we can improve that practice as we look forward to potential remote learning in our future. As soon as we know about next Fall, you will be notified. Right now we do know we are saying Happy Retirement to Mrs. Ray! In the fall, Mrs. Vigue will be Fayette Central School's K/1 teacher! There is a hiring committee to find the right candidate to fill the 3/4 teaching position. Thank you for everything Mrs. Ray and Congratulations Mrs. Vigue!

“What feels like the end is often the beginning.” ~Author Unknown

Friday, June 12, 2020, will be the third packet drop-off and give us everything back pick-up. Yeah, it's finally time for a pickup! Let me explain - The third packet drop-off will include your child's report card and summer work (math step-up to the next grade work). Due to the “Do No Harm” protocol of not grading student work, your child's report card will not have any grades for trimester three. There will be teacher anecdotal comments about participation in distance learning. The packet will also include a special treat from me and Bus Driver Jess!

On the 12th, You will need to hand over the following times (below), preferable in the two-gallon Ziplock bag that was given at packet number two drop-off. If you would like your child's paperwork to be received prior to report card comments, please contact Principal Morin to arrange a pick-up or drop-off. Please print the table on page 2 or handwrite your own to give to Principal Morin on 6/12 to show what is in the packet that is being returned. This will make it more efficient to receive the items then give you the third packet. After the return packet is safely on the bus you can squirt (no face shots) Principal Morin and any other willing participant. Be ready because this will be quick because your teachers have a special surprise that involves throwing something for you to catch, you don't need a baseball glove!

Take Care,  
Principal Morin

Return/Pick-Up items:

Laptop	iPad	Case	Charging Cord	Headphones
Library Books	Library Bag	Lunch Bill Money	Completed Paperwork	Classroom Books
