Charles Harrington, Principal  
Susanne Miller, Secretary

Friday, May 29, 2020

Hello Tenino Families!

I hope this letter finds you doing well. We are looking forward to welcoming our incoming 3rd graders to Tenino Elementary, home of the Tigers. This year, due to the need for social distancing, we are inviting you and your child to a virtual *Welcome to T90 Elementary Assembly*. The virtual assembly will be available for viewing on June 8th. We will share a link (Dojo, Skyward, Facebook) so you can access it at your convenience. The assembly will include:

- A hearty welcome from the 3rd grade teachers
- Introduction of the Tiger Traits: Be Safe, Responsible, Respectful and KIND
- General overview of curriculum
- Information about lunch and recess
- Information about specialists (Art, Music, PE and Tech)
- Information about field trip and after-school clubs

We will also be providing parents with a *3rd Grade FAQ* document for parents to access. This document is based on the presentation we normally do for parents on the night of the assembly. If you have additional questions or other concerns please contact me directly and we can set up a time to meet in person, on the phone or via Zoom.

We know that a virtual tour is not the most effective way to be introduced to a new school. So, we will be scheduling an in-person meet and greet in August, prior to the beginning of the school year. We will share more information about this event as soon as we can. Look for an update in early August.

We are sorry that your child could not participate in the in-person assembly. I know many of them were really looking forward to it. However, we are committed to making their transition informative and special. We are excited to meet our new Tigers and continue the excellent education you have become used to. Thanks for your understanding and support.

Proud to be your principal,  
Mr. Harrington
