**GUEST DANCE FORMS**

McHenry High School strives to provide a safe, healthy, and positive environment at our dances. We believe that our dances are fun and memorable parts of the school culture for students. As such, the following expectations and procedures will be in place at all MCHS dances:

- All students attending a dance sponsored by McHenry High School acknowledge that it is a school-related event and all school rules apply.
- At the time of purchasing dance tickets, all MCHS students and guests must sign and return a form acknowledging these behavior expectations.
- Admission will be with a student ID or guest pass only.
- Guests are allowed at school dances only if accompanied by a McHenry High School student who has obtained administrative approval. The McHenry student who brings a guest assumes full responsibility for that guest. Administrators are under no obligation to admit non-McHenry High School students.
- Students are expected to dance in a respectful manner. Dancing that is inappropriate, sexually explicit including grinding or other simulated sex acts, or creates unsafe conditions is not allowed.
- Students who are seen dancing inappropriately will have their wristbands removed which will be deemed as their first warning. If students are addressed a second time for inappropriate dancing, they will be escorted out of the dance. Before leaving the facility, their ID will be scanned to record the time they left the premises.
- Should this occur, an administrator will follow up with the student's parent/guardian to inform them that their child was removed from the dance for sexually explicit dancing or other inappropriate behavior. If the dance is being held outside of McHenry, students who are removed will be sent to a designated area for the remainder of the dance or until parents come to pick up their child.
- Students who are removed for inappropriate dancing will have a discipline log added to their file so that if they are removed from more than one dance during their tenure at McHenry High School, they will be banned from all subsequent dances including Prom.
- *Guests* that are removed from any dance, for any reason, will no longer be welcome at future McHenry High School functions.
- If inappropriate dancing is widespread, music maybe stopped for a period of time. If after the music has been turned back on, the dancing continues to be inappropriate, the dance may end prior to the scheduled end time.
- The administration reserves the right to remove any student from the dance for any type of behavior that is deemed inappropriate.
- Smoking in the building and on all school property is prohibited at all times (this includes e-cigs).
- Administrators and supervisors have full authority to determine the appropriateness of student and guest behavior.
