

2019-2020

Career and Technical Education (CTE) Scholarship Application

LADWP is proud to partner with the Inyo County Office of Education to provide scholarships for students interested in pursuing career and technical (CTE) education after graduation. Scholarship recipients will be selected from motivated applicants who may have interest in a long-term career with LADWP. In addition, applicants should have or demonstrate an interest in career paths relevant to CTE Industry Sectors and pathways. For example, wood working, construction planning, welding (Ag Mechanics and Building and Construction Trades), computing (Information and Communication Technologies), auto mechanics (Transportation) and drafting/surveying are desirable skills valued in potential LADWP trade career paths. Working with the Inyo County Office of Education, LADWP will review all CTE Scholarship applications, and select scholarship recipients. If no scholarship recipient is selected for a school, no scholarship will be provided to that school.

Award Amount: \$1,000

Scholarship Requirements:

1. Student must be a graduating Senior at one of the following high schools (2019-2020): Bishop Union High School, Big Pine High School, Owens Valley High School, Lone Pine High School and Jill Kinmont Boothe High School.
2. Student must be enrolled in a post-secondary CTE certification or college program with preference given to students focusing in the aforementioned pathways and sectors.
