

Board Self-Assessment

At the conclusion of each year, the **board will assess** its own performance in terms of generally accepted principles of successful board operations and in relation to its annual goals and objectives—and Washington School Board Standards. The board self-assessment will address performance in the key functions of school boards:

- A. Board functions of responsible school district governance;
- B. Communication of and commitment to high expectations for student learning;
- C. Creating conditions district-wide for student and staff success;
- D. Holding the district accountable for student learning; and
- E. Engagement of the community in education.

The results of the self-assessment will be used in setting goals for the subsequent year.
