NEW YEAR'S HOLIDAY

People around the world have been celebrating the start of the new year for thousands of years. Today, many New Year's celebrations begin the day before the new year, on December 31st. This day is called New Year's Eve. Celebrations often continue through the evening and into the early hours of New Year's Day, January 1st.

People celebrate the new year in a variety of ways. Some people attend parties, sing songs, and watch fireworks. Many people make resolutions. A resolution is a goal or promise to keep in the new year to improve yourself. Common resolutions include spending more time with family and friends, eating healthier, getting organized, exercising more, saving money, or helping others. Another New Year's tradition is to eat certain foods for good luck in the upcoming year. Different places around the world believe in eating different foods on New Years.

Baby New Year is a common symbol of the New Year holiday. The baby often wears a diaper, top hat, and a sash with the year on it. The myth says that Baby New Year grows older with each day of the year that passes by. By the end of the year, Baby New Year has become an old man.
