the back

The pig was such a nut. He was in the mud. The pig had fun with us. We had much fun with the pig, but we had to rush to the bus. The pig had fun in the sun. He dug in the deep, wet mud. Then he had a bun with beef. The pig had a nap in the sun.

We have been sad. We need to see the pig. We need the pig to have fun with us! We beg dad to see the pig. Dad said to run to the pig. We rush up the path to the pig. We see him in the sun. We run up to the pig. Whap! We hit a dip! Thud! We hit the mud! We did get wet with mud. We need a tub! That pig is such a fun chum.
