- E. The Association accepts the requirement of the New Jersey Employer-Employee Relations Act as amended to represent equally all members of the above-defined unit.

ARTICLE II

NEGOTIATION PROCEDURE

- A. The parties agree to enter into collective negotiations concerning the terms and conditions of employment for a successor agreement in accordance with the laws of the State of New Jersey. Upon notification of intention to enter into collective negotiations by either party, the Board shall establish a mutually agreeable meeting date with the President of the Association.
- B.
 - 1. The parties agree to commence negotiations no later than February 1, or at a mutually agreed upon time in close proximity to this starting date. Proposals shall be exchanged at the initial meeting.
 - 2. Proposals, not submitted in the original exchange, shall not be a subject for consideration or discussion unless they are counter-proposals or substitute proposals.
- C. The Board recognizes the Association as the exclusive representative for purposes of collective negotiation concerning the terms and conditions of employment for the employees enumerated in Article I of this agreement. Any change or modification to this Agreement, or any new Agreement so negotiated, shall apply to all unit members as outlined in the Agreement unless otherwise specified. This recognition shall not impair the rights of any employee or group of employees under the Constitution of the State of New Jersey, or any applicable law or State administrative regulation now or hereafter enacted or promulgated.
- D. Negotiations shall be conducted in the Board of Education Administrative Office or at any other mutually acceptable location. The Board shall make available to the Association a caucus room in which to meet for separate conferences.

- F. Times for commencement of negotiating sessions shall be fixed by mutual agreement. Negotiating sessions shall not be conducted during usual school or business hours. A negotiating session conducted during evening hours preceding a school or work day shall be terminated at 11:15 p.m. or as soon thereafter as is reasonable. Those representatives shall be responsible for all procedural details including fixing dates for negotiating sessions, requesting caucuses, initial presentation of proposals and counter-proposals, requesting information and clarification and tentative acceptance of proposals. The spokesperson-negotiators may recognize other members of the negotiating team or call upon resource personnel to present or discuss pertinent data.

ARTICLE III

GRIEVANCE PROCEDURE

A. DEFINITION

A "grievance" shall mean a claim by an employee or the Association that there has been a misinterpretation, misapplication or a violation of any of the provisions of this agreement. It is agreed that binding arbitration as provided for in this Article does not apply to a misinterpretation or misapplication of Board Policy or Administrative Regulation; provided, however, that no claim shall constitute a grievance to be processed in accordance with the following procedure which pertains to:

- (i) any matter for which a detailed method of review is prescribed by law;
- (ii) any rule or regulation of the State Commissioner of Education unless the Commissioner of Education shall first specifically determine that the Board has exclusive jurisdiction therein;
- (iii) any policy or by-law of the Board or administrative decision;
- (iv) any matter which according to law is beyond the scope of the legal authority of the Board;
- (v) any matter for which a grievance has been filed under a special purpose grievance procedure provided by Board policy;
- (vi) a complaint of a non-tenured teacher which arises by reason of his/her not being re-employed;
- (vii) a complaint by any certificated personnel occasioned by lack of appointment to or lack of retention in any position for which tenure is either not possible or not required.

Further provided: for a grievance to be considered under this procedure, Step One must be commenced by the grievant within thirty (30) calendar days of either its occurrence or when the grievant could or should have reasonably known of the occurrence. Failure to act shall constitute abandonment.

B. PROCEDURE

Any employee who has a grievance shall discuss it first with the principal or immediate supervisor in an attempt to resolve the matter informally.

Step One: If, as a result of the discussion with the principal or immediate supervisor, the matter is not resolved to the satisfaction of the grievant, the grievant may set forth the grievance in writing to the principal or immediate supervisor on the grievance forms provided. The grievant shall have the right to request an informal hearing before the principal or immediate supervisor upon the form provided. If an informal hearing is not requested by the grievant, the principal or immediate supervisor may conduct such a hearing to assist in the consideration of the grievance. The immediate supervisor shall communicate the decision to the grievant in writing, with reasons, not later than ten (10) school days from the receipt of the written grievance.

Step Two: Not later than ten (10) school days after receipt of the Step One decision, the grievant may appeal the decision to the Superintendent or his/her designee. That appeal must be in writing upon the grievance forms provided, specifying the nature of the grievance, the nature of the injury, loss of inconvenience claimed, the results of prior discussions with the immediate supervisor and the grievant's dissatisfaction with the decision previously rendered. On the grievance form, a hearing may be requested before the Superintendent or his/her designee. If a hearing is not requested by the grievant, the Superintendent or his/her designee may conduct such a hearing to assist in the consideration of the grievance. The Superintendent or his/her designee shall render a written decision not later than fifteen (15) school days from the receipt of the appeal. The written decision shall be sent, with reasons, to the grievant, the principal or immediate supervisor, and the president of the Association.

Step Three: If, as a result of Step Two, the matter is not resolved to the satisfaction of the grievant, the grievant may request a review by the Board of Education. This request shall be submitted on a grievance form provided through the Superintendent. All related papers shall be attached and forwarded to the Board Secretary. Any grievance appeal to the Board of Education must be filed with the Board Secretary not later than ten (10) school days or fourteen (14) calendar days, whichever is less, from the receipt of the Step Two decision. The grievant may request a hearing before the Board of Education on the form provided. The Board of Education shall render a written decision, with reasons, not later than forty-five (45) calendar days following its receipt of the grievance. The Association may move the grievance to Step Four after forty-five (45) days if the Board has not rendered a decision. Copies of the Board's written decision shall be forwarded to the aggrieved, the principal or immediate supervisor and the president of the Association.

Step Four: If the grievant is not satisfied with the Step Three decision, a request for the appointment of an Arbitrator may be made by the Association within five (5) calendar days of receipt of the Board's decision. A copy of the request shall be forwarded to the Board Secretary at the same time. The Board and the Association agree to adhere to the rules of the American Arbitration Association or the Public Employment Commission in the selection and the performance of the Arbitrator. The selection of AAA or PERC is to be decided by the moving party. The Arbitrator shall be limited to the issues submitted by both parties and shall consider nothing else; he/she can add nothing to nor subtract anything from, nor modify in any way, this Agreement between the parties. All proceedings shall be conducted in the Board of Education Administrative Office or at any other mutually agreeable location.

C. GENERAL PROVISIONS

1. Time Periods

- a. All time periods specified shall be strictly adhered to unless both parties mutually consent, in writing, to an extension or waiver.
- b. If the grievant fails to proceed to the next level within the time period specified, the grievance shall be deemed abandoned and the most recent decision shall be considered binding. If a decision is not rendered within the prescribed period of time at Steps One or Two, the grievance may automatically proceed to the next step.

- h. All documents, communications and records original to the grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

3. Representation

- a. Following the filing of a written grievance at Step One, an employee may be represented at all stages of the procedure by him/herself or by a representative of his or her own choosing. adjusted by level, the placement of any individual
