May 29, 2020

Dear Community Members of Willingboro Township,

I hope this letter finds you and your family safe and well during these unprecedented times. Since my tenure at Willingboro High School, my proudest moments have been the presentation of the graduating class to our community and the world. Unfortunately, we can not gather together this year to honor our graduates in our traditional fashion. Nonetheless, we can celebrate together virtually.

On June 23, 2020, at 6:00 p.m., the Willingboro High School Class of 2020 will be presented to the world in a virtual graduation ceremony broadcast via the internet.

You are cordially invited to share this very special moment by tuning in to the broadcast as a community. Access details will be posted on the district’s website (https://www.willingboroschools.org) and the Willingboro High School website (https://www.willingboroschools.org/o/willingboro-high-school) on the day of the event.

We are asking our community to support the graduates by doing 3 things:

- Wear red and blue on June 23rd
- Decorate your home or business with congratulatory messages, signs and/or red & blue decor
- At the designated portion of the broadcast come to your driveway to "clap out" the graduates

In addition, we are asking all local businesses and churches that have a marquee to post a congratulatory message to the Class of 2020 throughout the day on June 23rd. Your support for our students is critical to fostering a celebratory atmosphere throughout the community. Our students have worked hard, their families have sacrificed much. Let us show our Boro Pride in a way that has never been done before in honor of our young people who truly deserve a pat on the back.

Feel free to share this communication with friends and loved ones.

Your partner in education,
Kimberly B. Ash
Proud Principal
Willingboro High School
